Drive efficiency

Warehouse & Logistics identification guidebook

Intro

Increase warehouse safety and efficiency to achieve higher order accuracy and shorter delivery lead times. A high performing warehouse is the ultimate centerpiece to respond successfully to the growing needs of customers both on- and offline.

This guide offers a high-level overview of reliable identification and safety tools Brady offers to support safe, lean and efficient visual warehouses.

We are looking forward to building a strong relationship with you too.

CONTENTS

4	Lockout/Tagout
5	Procedure writing services
6	Shadowboards
7	Floor marking
8	Visual tagging
9	Spill control
10	Safety signs
11	Shelf labels
12	Lean/ 5S labels
13	Kanban labels
14	Bin traceability labels
15	Box transport signs
16	Box/ Repackaging labels
17	Box RFID labels
18	GHS/CLP labels
19	Truck seals
20	Truck signs
21	Design your own labels, tags & signs
22	Print your own labels

Lockout/Tagout

Safer machine interventions

- easily neutralise machine energy
- increase maintenance safety
- prevent accidents, save time and cost

Easily manage, update and communicate procedures with LINK360!

Procedure writing services

Best practice lockout procedures

- get machine-specific lockout procedures
- written by experienced Brady engineers
- approved by your stakeholders

Shadowboards

Make safety top of mind

- make safety and lockout/tagout highly visible
- visually organise tools for fast retrieval
- support efficient returns to matching tool shadows

Fully customisable!

Floor marking

Increase facility efficiency

- easily separate human & motorised traffic
- create storage, caution and keep clear areas
- visually organise facility operations

Easily draw a straight line to increase efficiency!

Visual tagging

Prevent accidents with uninspected tools

- easily communicate tool safety status
- quickly share the next inspection date
- wide range to fit any tool

Automate inspection planning & reporting with SafeTrak!

Spill control

Prevent slips & falls

- easily combat or prevent spreading spills
- avoid accidents and compliance conflicts

Also available in practical spill kits & stations!

Safety signs

Vital information where it matters

- easily caution, warn & inform
- highlight firefighting & safety tool locations
- can be printed at your premises

Also available in reflective and photoluminescent materials!

Shelf labels

Support picking efficiency

- quickly find goods or components
- add shelf max weight in compliance with EN15635
- also available in removable or magnetic materials

Keep track of your inventory with our FlexTrak software!

Lean/ 5S labels

Visualise desired status

- visualise desired states to increase efficiency
- show if or when action is required
- create a 5S, lean visual workplace

Kanban labels

WHITE

- easily communicate when to reorder
- scan barcode for automatic reorders

Bin traceability labels

Scan & print

- scan shelf to print a label copy
- easily trace bin components
- efficient bin component picking

Box transport signs

Add handling warnings

- offer a clear indication of how to handle specific boxes
- offer box content warnings

Full range available!

Box/Repackaging labels

Easily brand your boxes

- easily brand boxes and repackaged goods
- quickly add any information needed
- printable at high speed in large quantities at your premises

Box RFID labels

Complete shipments, always

- clear shipments with RFID scanner gate
- supports inventory tracking
- can be linked to inventory systems

Monitor temperatures or other with Smart RFID Temperature labels!

GHS/CLP labels

Compliant chemical packaging

- comply with dangerous substances labelling
- printable at your premises

Enter chemical name or CAS-number in our app to print a compliant label!

Truck seals

Visualise unauthorised access

- discourage unauthorised access
- get a clear visual indication of unauthorised access
- needs wire/bolt cutters to remove from trucks or cargo

Truck signs

Compliant ADR truck signs

- warn drivers and first responders
- comply with truck cargo identification regulations
- self-adhesive, rigid or magnetic backing

Design your own labels, tags & signs

Select the apps you need

- design any label with Brady Workstation
- automate label data
- add logos, barcodes, symbols & serial numbers

Get a 30-day free trial!

Print your own labels, tags & signs

Increase labelling flexibility

- easy to use
- batch print, serialise, barcode
- auto-recognise label materials

Get a free demo at your premises!
